

## Sales

AMOS Mfg. Inc. is seeking to hire an individual for sales. For over 40 years, AMOS Mfg. has designed and manufactured industrial shredding and separation equipment. Sales candidates are expected to develop and implement sales plans, make cold calls, identify customer needs and offer solutions, understand the sales process and marketing, and research industries to find potential customers. Demonstrated experience in these areas is preferred. A background in sales is expected, industrial sales experience is preferred. Candidates should have knowledge of Microsoft Office tools and experience with CRM software. Remote work is an option for this position. Some travel is required.

Ideal candidates:

- Are motivated and driven
- Communicate effectively with team members and customers
- Identify opportunities and aggressively pursue
- Are strategic thinkers
- Are self-starters and self-learners

High performing candidates can look forward to a robust benefit package including:

- Competitive pay
- Health insurance benefit and HSA
- Flexible paid time off and holidays
- 401(k) with employer matching
- Discretionary bonuses
